Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: This draft is really unfair
and I want to comment on how
my quality of life improved when I began
taking the medically necessary progesterone that
is unavailable in my area and is available
through a large pharmacy back east.
Please do not continue with this proposal.
